Twelve Corners, Brighton

Monday, June 5th, 4:30 – 6:30 PM

2017 marks **10 years** of Israel's blockade of Gaza; **50 years** of Israel's **military occupation** of Gaza and the West Bank, including East Jerusalem; **70 years** since the **Nakba and ethnic cleansing of Palestine** began following the partition of the land against the will of the indigenous people; and **100 years** since the **Balfour Declaration**, which set the stage for the Zionist movement to colonize Palestine and later to establish a Jewish state.

Join Christians Witnessing 4 Palestine June 5, 2017 on this 50th anniversary to demand an end to Israel's brutal military occupation as part of a commitment to justice for all Palestinians, whether in historic Palestine or in exile. Israel's actions since 1967 make clear that the occupation was never meant to be temporary. It is not an aberration. It is the latest extension of Israel's ethnic cleansing and subjugation of Palestinians, which continues to this day.

We are responding to a call from Palestinians to send a clear message: Israel must end all its oppression of Palestinians for freedom, justice, and equality to prevail.
